

5 Pack Wallhanging Instructions

for use with Wildfire Designs Alaska 5 pack animal appliques

1. Pre-wash all fabrics to block and remove excess dye (appliques have already been pre-washed).
2. To make wallhanging cut the following:
 - Background: 2 - 10" strips Subcut into five (5) 10" squares.
 - Setting Triangles: 2 - 3½" strips. Subcut into twenty (20) 3½" squares.
 - Print: 1 - 10" strip. Subcut into four (4) 10" squares.
 - Binding: 4 - 2½" strips. Sew together end to end.
3. ALWAYS using a ¼" seam. Make snowball blocks by placing a setting triangle square on each corner of a background square and right sides facing, as shown below. Trace a diagonal line with a chalk marker from corner to corner of the 3½" squares as shown below, then stitch along chalk line. Trim ¼" from seam, and press seams out. Discard waste. Make 5 snowball blocks total.

4. Arrange animal appliques onto the center of the snowball blocks.
5. *Fuse appliques well using steam followed by dry heat.
6. Arrange snowball blocks and print squares in desired order, or refer to the pattern photo for arrangement.
7. Complete wallhanging top by sewing snowball blocks and print blocks together in a checkerboard pattern as shown right. First sew together Rows A thru C. Then Row A to B and B to C. Press seams in direction of arrows.
8. *Quilt as desired.
9. *Apply binding.

*For step-by-step instructions on using fusible web, quilting and applying binding see the *Tips* page at www.wildfiredesignsalaska.com.

Dana Michelle was born in Kenai, Alaska and raised in the family store, the *Kenai Fabric Center*, with her mother, grandparents, aunts and later a sister and several cousins; all of whom taught her to sew, crochet, knit, bead and so much more.
